International Association for Applied Psychology | Division 6 © Copyright 2012

"It gives me great pleasure to participate in the inauguration of the Division 6 website. Once launched the website becomes a resource that we can all share and benefit from. This will only be the case, however, if we each contribute to it as well as gaining information from it. If we do this it will become a very special attribute of the Division, and indeed of the IAAP".

**Neville Blampied**  
**PRESIDENT DIVISION 6**
