Task Force on Terrorism

ASHLY NAVARRO
COLLABORATOR

Ashley is a Psychologist who obtained her degree at the Universidad Complutense de Madrid (UCM) and is currently coursing a Master's in Clinical Psychology.

She has obtained a diploma on Psychological Assistance to Terrorism Victims at the same University from which she graduated, and has also collaborated with the Psychological Clinical Treatment research team at the UCM, contacting victims via telephone.

Ashley also participates in the seminars that take place at the University, where articles regarding terrorism and peace building are read and discussed.
