

Task Force on Terrorism

IAAP TASK FORCE ON TERRORISM AND PEACE BUILDING ACTIVITIES May, 2020

Do you know what our aim is?

The primary aim of the International Association of Applied Psychology (IAAP) Task Force on Terrorism and Peace Building is to engage members of the psychology community (teachers, researchers, practitioners, and students) in the issue of terrorism.

Do you know where you could find information about our Task?

- We have been updating our [website!](#)
 - We have uploaded a new resource in English and Spanish about coping the stress of COVID-19, which it is based on the theory of one of our members Prof. Stevan Hobfoll.

ADVANCING SCIENCE AND PROMOTING UNDERSTANDING OF TRAUMATIC STRESS

Managing Stress Associated with the COVID-19 Virus Outbreak

Impact of the COVID-19 Outbreak on Individuals and Communities

The COVID-19 (coronavirus) outbreak has the potential to increase stress and anxiety, both because of the fear of catching the virus and also because of uncertainty about how the outbreak will affect us socially and economically. There are practical steps you can take to improve your wellbeing.
