

IAAP TASK FORCE ON TERRORISM AND PEACE BUILDING ACTIVITIES December, 2020

We would like you to contact us if you are working on terrorism field or if you are interested in it.

Do you know what our aim is?

The primary aim of the International Association of Applied Psychology (IAAP) Task Force on Terrorism and Peace Building is to engage members of the psychology community (teachers, researchers, practitioners, and students) in the issue of terrorism.

Do you know where you could find information about our Task?

• **Contributions:** ← [click here.](#)

- We are still working on the final report about the research we have been carried out since 2017. The report will describe the specific contributions that Psychology can make to address the enormous challenge terrorism represents for the world based on the expert's answers to the survey we sent.
- Pedro Altungy collaborator of pour Task Force participated in the online course from National network of psychologists who attendance terrorism victims celebrated November 13th. He talked about radicalization process.
- The Chair of this Task force María Paz García Vera has contributed together with consultants and collaborators such as Jesús Sanz, Beatriz Cobos Redondo, Roberto Navarro and Belén Reguera in II JORNADAS DE DIVULGACIÓN CIENTÍFICA organized by the National Victims association of Spain (AVT) November 27th in an online format.

- María Paz García-Vera talked about the contributions and challenges of the IAAP Task Force on terrorism and peacebuilding project.
- Beatriz Cobos talked about how to help terrorism victims from psychology
- Jesús Sanz, talked about challenges of the AVT-UCM project for terrorism victims
- Roberto Navarro talked about the new questionnaire for measuring traumatic dysfunctional attitudes (EADT).
- Belén Reguera talked about psychological treatment of depressive dysfunctional attitudes.
