

IAAP TASK FORCE ON TERRORISM AND PEACE BUILDING ACTIVITIES July, 2021

We would like you to contact us if you are working on terrorism field or if you are interested in it.

Do you know what our aim is?

The primary aim of the International Association of Applied Psychology (IAAP) Task Force on Terrorism and Peace Building is to engage members of the psychology community (teachers, researchers, practitioners, and students) in the issue of terrorism.

What is happening in the Task?

• Projects:

- CNP2021 Online CONGRESS

Some of our consultants and collaborates will participate with different oral presentations in the 5th national congress of psychology in Spain.

This congress will take place online. Take a look: [CNP2021 · V Congreso Nacional de Psicología](#)

• Reminders

- Invitation to participate in [Psychological Injury and Law Journal](#):

Our colleagues Johnrev Guilaran , PhD and Ian de Terte, PhD are guest editing a special issue of [Psychological Injury and Law](#). “This special issue aims to contribute to the understanding of the interface between the different risk and protective factors associated with psychological consequences for first responders, and the legal consequences and implications for first responder organizations in relation to these psychological consequences”.
