

IAAP TASK FORCE ON TERRORISM AND PEACE BUILDING ACTIVITIES December, 2021

Do you know what our aim is?

The primary aim of the International Association of Applied Psychology (IAAP) Task Force on Terrorism and Peace Building is to engage members of the psychology community (teachers, researchers, practitioners, and students) in the issue of terrorism.

What is happening in the Task?

- **Projects:**

- **Congress**

The biggest association of victims of terrorism in Spain, AVT, has celebrated its 40 years helping victims and working for their rights and building peace. Take a look into this video:

<https://youtu.be/g9cS0plm4zM>

Our Chair María Paz García-Vera has participated together with our consultant Beatriz Cobos Redondo in this event last November 30th.

- **FUTURE ACTIVITIES**

- María Paz García-Vera will participate next December 1st, in the military Spanish congress about psychological aspects. She will talk about the importance of psychological support in order to get resilience.

Have you participated in any scientific congress or activity? Let us know! We will love to know about it and the specific contributions about terrorism consequences and spread the ideas.

- **Twitter account**

As you know, we are using Twitter as a place to post news and information about our work and some other contents that we found interesting. Please look (or even better, please **follow us!**):
