- In June, our consultant Jesús Sanz have given a lecture about “psychological victimization in terrorism victims” in the context of the presentation of the Spanish professional guide of terrorism victim’s care.

- This month, some of Task Force members and collaborators will participate with different symposiums and conferences at the National Congress of psychology in Spain. This congress will take place in Vitoria, July 21-24th.

- Task Force collaborators, Pedro Altungy and Sara Liébana, are finishing psychological treatment to victims in Seville and Cádiz. Andrea García de Marina, Roberto Navarro, Adela Jimenez, Jose Manuel Sanchez and Rocio Fausor have been working to assess and to follow up terrorism victims in Spain. This program is a University Complutense attention program in which the Task Force on Terrorism and Peace Building collaborators are involved.

Thank you for your attention.
