Creencias de la población sobre cómo superar un desastre”.
- Maria Paz Garcia-Vera Chair of Task Force on terrorism and peace building, has participated in the 4th International Congress of Clinical and Health Psychology on Children and Adolescents. The conference will be November 15-17th, 2018 in Mallorca, Spain.
- We have started the Task Force on Terrorism and Peacebuilding seminars with Division 15. The training courses take place every week at Complutense University of

Madrid. We talk about terrorism and its consequences and the development of peace. Every student is invited to join us!! Please email us if you want to know more about this project.

- Task Force collaborators, Pedro Altungy, Roberto Navarro, Sara Liébana, Andrea García de Marina, Jose Manuel Sanchez and Rocio Fausor have been continue working to assess and to provide treatment to all the victims of terrorism who need it around Spain. This program is a University Complutense attention program in which the Task Force on terrorism and peace building collaborators are involved. The regions visited along the past month have been in Seville and Huelva.
