

E-NEWS OF THE IAAP, DIVISION 10, PSYCHOLOGY & LAW

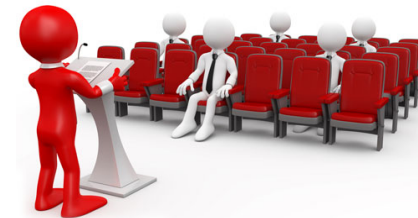

DIVISION 10 BOARD MEMBERS

PARTICIPATION AT ICAP 2018, MONTREAL, CANADA

We would like to express our thanks to the scientific and organisational committees of the ICAP 2018. The conference was a great success, marked by a large body of original communications and stimulating discussions. On behalf of the executive committee of the division, we would also like to express our thanks to our featured and invited speakers, including:

- Prof Alfred Allan - Keynote Address: The ethical responsibilities of researchers, reviewers and editors working in the psychology and law field
- Prof Ian Freckelton – Keynote Address: Scholarly Misconduct: Challenges for Psychology
- Dr Fanny Verkampt – Keynote Address: Child-Victims’ Rights at the Sharp End: Taking up the challenges raised by human trafficking investigations
- Dr Vincent Denault – Chair of a symposium: Better Practices, Better Justice: Arguments for interdisciplinary dialogues
- Prof Mireille Cyr – Chair of a symposium: Les auditions de mineurs témoins ou victimes : Les effets de la suggestibilité, des émotions et des questions sur la performance des enfants
- Prof Colin Tredoux – Chair of a symposium: Determinants of eyewitness identification
- Dr Fanny Verkampt – Chair of a symposium: False Memory: New developments in research on eyewitness testimony, treatment and court expertise

Associate Prof. Fanny Verkampt	President of the Division
Full Prof. Colin Tredoux	Past President of the Division
Full Prof. Alfred Allan	Member of the Advisory Committee
Associate Prof. Igor Areh	Member of the Advisory Committee
Full Prof. Anthony Cole	Member of the Advisory Committee
Alicia Nortje	Newsletter Editor
Sanne Houben	Web master and social media officer
Frederic Tomas	Web master and social media officer
Jianqin Wang	Web master and social media officer

PARTICIPATION IN NATIONAL AND INTERNATIONAL CONFERENCES

Right after ICAP2018, Frederic Tomas, new board member of the division, attended the 11th Annual Conference of the International Investigative Interview Research Group (IIIRG, <http://conference.iiirg.org/>), Porto, 3-6 July 2018. Frederic presented there one research entitled “A baseline approach to automatic written deception detection”.

FUTURE CONFERENCES

Next months will be marked by two important conferences:

1. The Biennial Congress of the Australian Psychological Society (APS), 27-30 September 2018. More information is available at: <http://www.apscongress.com.au/>
2. The International Convention of Psychological Science (ICPS 2019), 7-9 March 2019, Paris, France. Deadline for submitting symposium is the 15 September 2018 and the 30 September for submitting a poster. More information is available at: <https://www.psychologicalscience.org/conventions/icps2019>
