CHINA HEALTH PSYCHOLOGY CONFERENCE

Originally scheduled for 26 September, the conference will now take place on 21 November.

In the July 2021 IAAP Division 8 eNews we reported that the Chinese psychological society newly establishing of a Behavior and Health Division, chaired Yiqun Gan, the IAAP Division 8 president-elect. Unfortunately the division's inaugural conference has to be postponed due to a Covid outbreak, and may possibly have to be held online. IAAP Division 8 members Brian J. Hall, Sonia Lippke, Aleksandra Luszczynska, and John de Wit are scheduled to speak at the conference.

NEW RESEARCH ON SOCIAL DISTANCING

Sonia Lippke and a colleague were interviewed on their new research on social distancing and its implications on well-being.

The research is concerned with loneliness in face of COVID and the post-pandemic time, contributing understanding from the viewpoint of health psychology. You can watch the interview of about 5 minutes length here: <https://www.instagram.com/p/CP8X8mAC6fs/>

RECENT PUBLICATIONS

These member publications were brought to the attention of the newsletter editor. We would like to showcase many more publications of Division 8 members. Please send us publications for inclusion in the next newsletter.
