Second International Summer School *Healthier Societies and Healthy organizations: Cross-cultural Perspectives*

The Department of Department of Education, Languages, Intercultures, Literatures and Psychology (Psychology Section), University of Florence, Italy, is pleased to announce the second edition of the International Summer School in Healthier Societies and Healthy organizations: Cross-cultural Perspectives.

Healthier Societies and Healthy organizations: Cross-cultural Perspectives

The Summer School aims at providing students with a theoretical outline on healthier societies and healthy organizations within a cross-cultural perspective, as well as practical tools to conduct research and intervention for creating healthier societies and healthy organizations. The framework is related to the promotion of psychosocial well-being, sustainable development and healthy management drawings on evidence-based descriptions of interpersonal relationships and positive enhancing of sustainable and healthy management in the larger organizational context and societies.

Purposes

- Providing critical knowledge and skills for the promotion of healthier societies and healthy organizations from a cross-cultural perspective.
- Providing training in designing, implementing and evaluating research projects and interventions, applying specific methods.

At the end of the Summer School participants will have increased their knowledge and skills in planning research and intervention for healthy organizations, within a cross-cultural perspective.

Medina, University of Seville (Spain); Yomna Morsy, Abu Dhabi University, United Arab Emirates; Elias Mpfu, University of Sydney (Australia); Nicola Mucci, University of Florence (Florence); Lourdes Munduate, University of Seville (Spain); Yolanda Navarro Abal, University of Huelva (Spain); Robert Ngueutsa, Université De Franche Comté (France); Kyoko Noguchi, Tohoku Bunka Gakuen University, Japan; Kayi Ntinda, University of Swaziland (Swaziland); Yus Nugraha, Universitas Padjadjaran, Bandung (Indonesia); Berkay Özünlü, Sinop University (Turkey); José-Maria Peiró, University of Valencia (Spain); Vijay Pereira, University of Wollongong, Dubai (United Arab Emirates); Harsha Perera, University of Nevada (USA); María del Carmen Pérez-Fuentes, University of Almería (Spain); Juan Carlos Pérez-González, UNED, Madrid (Spain); Renato Pisanti, University Niccolò Cusano (Italy); René Proyer, University of HalleWittenberg (Germany); José Ramos, University of Valencia (Spain); Marcelo Ribeiro, University of São Paulo (Brazil); Christine Roland-Levy, University of Reims Champagne-Ardenne (France); Marc A. Rosen, University of Ontario Institute of Technology (Canada); Fatih Şahin, Gazi University (Turkey); Donald H. Saklofske, University of Western Ontario (Canada); Samuel Same Kollo, University of Douala (Cameroon); Philippe Sarnin, Université Lumière Lyon 2 (France); Giuseppe Scaratti, Catholic University of Sacred Heart (Italy); Ilaria Setti, University of Pavia (Italy); Emre Sönmez, Gazi University (Turkey); Laurent Sovet, Université Paris Descartes (France); Anwarul Hasan Sufi, University of Rajshahi (Bangladesh); Hana Suzuki, Ritsumeikan University (Japan); Yoshiyuki Tanaka, Kyoto Tachibana University (Japan); Simon Taukeni, University of Namibia (South Africa); Gabriela Topa, National Distance Education University, UNED (Spain); Nuria Tordera, University of Valencia (Spain); Akira Tsuda, Kurume University (Japan); Ana Maria Tur Porcar, University of Valencia (Spain); Alpana Vaidya, Symbiosis College, Pune (India); Carmelo Vazquez, Complutense University of Madrid (Spain); Greg Yan, Beijing Normal University (China); Kübra Yenel, Gazi University (Turkey); Kwartarini Yuniarti, Universitas Gadjah Mada, Yogyakarta (Indonesia).

Faculty

Some of the most renowned experts and well-known international scholars in healthy organizations, management, individual differences, prevention and cross-cultural psychology will be involved in the Summer School.

Place and dates

August 24-30, 2020. The Summer School will take place in Florence, Novoli Campus, Building D6, via delle Pandette 9. Lessons will be held from 16 pm to 19 pm (from Monday 24 August 2020 to Saturday 29 August 2020) and from 9 am to 12 pm on Sunday 30 August 2020. The Summer School will be completed by the Third International Conference *Healthier Societies Fostering Healthy Organizations. A cross-cultural perspective* (August 24-25 2020), the First International Conference *Psychology of Sustainability and Sustainable Development* (August 26-27 2020), the First International Conference *Promoting Decent work and Decent Lives for All* (August 28-29 2020). Web site <https://www.forliilpsi.unifi.it/vp-390-august-2020.html>

Requirements and language

The Summer School in *Healthier Societies and Healthy organizations: Cross-cultural Perspectives*

is addressed to psychology Ph.D. students, young researchers and young professionals with research experience in psychology.

A maximum of 30 participants will be admitted in the Summer School, which will start if a minimum of 10 participants will enrol. The language of the course is English. The best research presented will be invited to submit a paper to be considered in Special Issues of international journals and/or in international books.

Eligibility

Participants will be considered on the basis of their curriculum vitae, qualifications and their personal statement and motivation. In addition, a good knowledge of the English language is required (B2 level), as well as a previous knowledge or experience in psychology.

How to apply

Candidates are required to fill and submit the application form, together with a personal statement and their curriculum vitae. All applications will be examined by a scientific selected committee. Deadline for applications is February 28, 2020.

Fee

Standard fees for regular people: 225 €

Emerging countries and students fees: 75 €

Fees are due by April 2, 2020.

Fees include the following: course lessons, all course materials comprising reading materials, lunches, some social activities (social dinner is not included), access to Novoli Campus, Building D6, University of Florence, as well as to online services and resources (Wi-Fi).

Affordable accommodations are available nearby the Novoli Campus. For fees and accommodations please contact [adifabio\(AT\)psico.unifi.it](mailto:adifabio(AT)psico.unifi.it).

Application

More information on the application procedure and payment is available on <https://www.forlilpsi.unifi.it/vp-390-august-2020.html> Persons interested in participating in the Summer School should submit to [adifabio\(AT\)psico.unifi.it](mailto:adifabio(AT)psico.unifi.it) the following information: curriculum vitae; personal statement which provides additional evidence of intellectual and creative achievement, and motivation to attend the Summer School; copy of a ID.
