

## DIVISION 1 at the 21<sup>st</sup> EAWOP Congress

Division 1 was actively present at the EAWOP Congress in May 2023 in Poland.

Our project *This Works in My Place Latin America* edition was presented at the WOP contribution to the Sustainable Development Goals Alliance for Organisational Psychology special session. We are thrilled that our project gets visibility on an international level and that this year we are continuing with the Africa edition of *This Works in My Place!*

In addition, the IAAP Division 1 organized a **social hour** where congress participants had the chance to

network and get to know Division 1 Board members and projects.
